Hello Neighbours!

I hope you're staying warm this winter—it has been a particularly cold one! But with spring just around the corner, there's plenty to look forward to in our community.

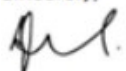

Meet & Greet – April 10 I'd love to connect with you at my upcoming **Meet & Greet at Huron Community Centre on April 10**. This is a great opportunity to discuss the issues that matter most to you. I look forward to seeing you there!

The Cities of Cambridge, Kitchener, Waterloo, and surrounding townships are working on a coordinated approach to improve fireworks safety. Some areas are considering new restrictions. We want to hear from you! Share your thoughts at **Engage Kitchener**.

Cricket is growing in our region, and we need your input! Cambridge, Kitchener, and Waterloo are developing a **Regional Cricket Strategy** to support the sport's growth and improve facilities. Have your say at **Engage Kitchener**.

Looking forward to connecting with you all soon!

Sincerely,

Councillor Ayo Owodunni – Ward 5

Chair of the Board, Jen Hoffman-Bailey

As I write this message to you, we have just come through several major snow falls, leaving many of us tired of shoveling and not able to see over snowbanks (yes, you guessed it, I am writing this mid-February!). My hope is that by the time you read this, the sun is shining, the snow has melted (or has at least started to melt) and that there is a feeling of Spring in the air! Speaking of Spring...

We have a great lineup of programs for you to choose from this Spring as well as some family-friendly activities for you to mark on your calendar. If you haven't done so already, be sure to read Melissa's message to learn more about the HCA programming options. As the HCA Board Chair, I want to publicly acknowledge my immense gratitude for the work Melissa and her team of instructors put into planning these sessions. I know each of them do their best to make sure that our participants have a safe and fun learning environment. If you and/or your child is enjoying your class, please be sure to share your gratitude as well! A little positivity goes a long way. If you are interested in learning more about the Huron Community Association and what we do, feel free to reach out to me (info@huroncommunity.ca). I would love to connect and tell you about the Board and what we do. As for our family-friendly activities, mark the following dates on your calendar and then follow us on Facebook, Instagram or bookmark our website (huroncommunity.ca) to learn more about each event:

Saturday, April 26 - Earth Day Clean up (9:30 am - 12 noon)

Grab the family and plan to spend an hour or two cleaning up the 'hood. We will supply the gloves and garbage bags, you supply the effort and energy!

Sunday, June 8 - Environmentally-themed, family-friendly event (keep the afternoon open!)

We're still putting the final touches on this event, but we're working with a local Escape Room game-writer to create a unique event! Watch our website in the coming months to learn how to sign up and participate. Want to volunteer for this event? Let us know! volunteer@huroncommunity.ca

Saturday, June 14 - Annual Community Garage Sale! (8 am - 12 noon)

Your garage, your time frame (ours is just a suggestion) and your items for sale. We will have a sign up form posted soon. To help get the word out about your garage sale, we'll put your name and location on a map and share it on Facebook for others to come check out your items.

Program Coordinator, Melissa Haynes

How exciting is it that we can start to think about Spring Programming, along with the sunshine and warm weather that comes with this season! A huge thank you to our amazing Winter Program

Instructors who served over 1100 individuals in our community during this past session. We are looking forward to our Spring Programs seeing so many of you join us again and meeting those of you who we have yet to meet.

This Spring we will continue to offer our newer programs such as Kickboxing, Chess Club, Creative Fun Art with Ceramics, Fondant Fun, Yoga and more! We were happy to bring back the Home Alone and Babysitting Courses at the end of the Winter session and look forward to offering more new programming in the future. We have changed the day/time of some programs in response to participant feedback, so I encourage you to take a look at the new program times. For our full list of Spring Programs please check out ActiveNet and our HCA Program Guide for more details.

Over the course of the Spring I will be focused on revitalizing our HCA program offerings. My goal is to bring more new programs to the community, engage even more participants, offer programs to a variety of ages, and offer exciting new courses for everyone. You will be receiving a 'HCA Community Engagement Survey' in your email inbox soon. Please take a few minutes to complete the survey in order to share your ideas, have your voice heard, and help develop new programs!

Don't forget to follow us on our HCA Facebook and Instagram accounts for registration information and program updates

Sincerely,
Melissa
