Inclusion Services Can Help!

If you or your child has a disability or special need, and require accommodation to participate in programs, assistance may be available. Requests should be submitted at least two weeks prior to the program start date to allow time to coordinate the accommodation.

Please call Inclusion Services staff at 519-741-2200, ext. 7229 or TTY 1-866-969-9994.

A message from the HCA's Chair of the Board, Jen Hoffman-Bailey

Greetings from your Huron Community Association!

We hope our friends and neighbours in the Huron Community have enjoyed this beautiful summer and were able to take advantage of our HCA Summer Programs. Fall is just around the corner, and with the season change comes a program change and this year it's a BIG one for the HCA. Your neighbourhood is getting a COMMUNITY CENTRE, attached to Oak Creek public school on Tartan Ave. We are excited to finally have a place to call home! In addition to our Fall programming starting up at the Community Centre in September, we are grateful for strong partners like Freedom in Christ Church and Glencairn Church where we will also continue our programming.

We are thrilled for all families we can meet and connect with this Fall. Stay tuned to our Facebook page for more information about celebrating the Community Centre Grand Opening!

HURON COMMUNITY ASSOCIATION (HCA) PROGRAM INFORMATION

HCA programs run at various locations. All program locations can be found on the last page of this guide. Programs run at Huron Community Centre unless another location is indicated in program guide or on your receipt. Please note, programs will not be running October 10 and 31. Piano programs will not be running on October 26. Only registered participants permitted in programming rooms. Programs held in the gym require indoor shoes. Please email any questions concerning programs to programmer@huroncommunity.ca

Please note our inclement weather policy: Outdoor programs run weather permitting. If there is inclement weather resulting in a cancelled program (i.e., thunder, major rain, ice, etc.), the **make-up date will be Thursday, October 20, 2022**. Information on program cancellations will be emailed to participants and posted on our Facebook page if there is advanced notice of cancellation.

<p>Lego Spike Prime Essential Robotics The idea behind Spike Essentials is to teach through “meaningful play” to motivate students to become resilient and independent thinkers. This extension of the Lego Learning System is designed to help elementary school children (grades 1-5) gain interest in and understand STEAM subjects. LEGO® Education SPIKE™ Essential engages students in hands-on investigation of STEAM concepts using everyday themes. In addition to learning computer science and design engineering concepts, students will also develop their literacy, math, and social-emotional skills as they turn concepts into reality.</p>	4-8 Y	Tuesday 5:30-6:25 pm	6 weeks Nov 08-Dec 13	Huron Community Centre	\$84.61	97387
<p>Lego Spike Prime Robotics Build Confidence with LEGO® Education SPIKE™ Prime course introduces your child to SPIKE Prime and equips participants with the knowledge and skills necessary to build confidence in STEAM learning “day one” also actively involving participants in discovery and experimentation! The LEGO Education SPIKE PRIME Curriculum is designed to teach core computer programming logic and reasoning skills using primary robotics engineering context. Why LEGO® Education SPIKE™ Prime? SPIKE Prime engages students through playful learning to think critically and solve complex problems, regardless of their learning level – while having fun. It is not limited to Classroom learning; SPIKE Prime also brings this creative spirit outside the classroom!</p>	9-14 Y	Tuesday 6:30-7:25 pm	6 weeks Nov 08-Dec 13	Huron Community Centre	\$84.61	97388
<p>Minecraft: Hour of Code Hour of Code focuses on introducing basic programming skills in a simple, accessible way. The Minecraft Hour of Code takes about 1 hour to complete and will introduce the player to programming logic like 'Repeat Loops' and 'If' Statements. The player can pick one of three scenarios. In each scenario, there is an objective the player must achieve in order to complete the first level. There are 12 – 14 levels in each scenario, which are more complex the higher the level.</p>	4-8 Y	Saturday 9:00-9:55 am	11 weeks Oct 01-Dec 17	Huron Community Centre	\$155.13	97452
<p>Minecraft Code Builder Code Builder for Minecraft: Education Edition allows educators and students to explore, create, and play in a Minecraft world. Partnering with familiar learn-to-code platforms like Tynker and Microsoft MakeCode, players can develop computational thinking and apply their creations across the curriculum. Use Code Builder to introduce computer science to your kids or to explore subjects like Math and Science.</p>	9-14 Y	Saturday 10:00-10:55 am	11 weeks Oct 01-Dec 17	Huron Community Centre	\$155.13	97453
<p>3D Doodlers 3D Printing A 3D pen is a pen that extrudes heated or warm plastic from the pen’s nozzle. There is no need for software, no files to transfer, and no difficult tech to master. In the words of a teacher we work with, “whatever you imagine, you can draw. It goes from your brain, to your hand, right there.” With a 3D pen, you can draw a raised graphic on a piece of paper or any flat surface. But what makes a 3D pen truly unique is its ability to “draw” in mid-air, allowing you to instantly form 3D structures right in front of you, which you can pick up and hold in your hand.</p>	4-8 Y	Saturday 11:00-11:55 am	11 weeks Oct 01-Dec 17	Huron Community Centre	\$155.13	97454

Hello Neighbours!

The Huron Community Association (HCA) is excited to be returning to a full slate of programming this Fall!

The HCA has a great line-up to check out! They are offering outdoor soccer programs in Sept/Oct at Freedom in Christ Church (1643 Bleans Rd) and are also looking forward to utilizing their new community centre on Tartan Ave! There are gym programs including multi-sport, basketball, and soccer, lots of dance programs, piano lessons, and brand new STEMOTICS classes. Visit the HCA's website at: huroncommunity.ca for more programming and events. Online registration can be found at: Kitchener.ca/activenet. A special thank you to the dedicated team of volunteers who work so hard to make these events and programs happen!

Do you have a city-related question or comment? Please be in touch! I'm always happy to hear from you.

Sincerely,

Councillor Kelly Galloway-Sealock – Ward 5
