A message from the HCA's Chair of the Board, Jen Hoffman-Bailey

Greetings from your Huron Community Association!

The Huron Community Association would like to welcome and introduce our new Programmer, Melissa Haynes. Melissa comes to us with a lot of experience in community programming and passion for diverse, inclusive and creative programs. When you see her at the Huron Community Centre (HCC) or receive an email from her, please be sure to welcome her to the 'hood!

Whether you are new this session or were with us this fall, you will have no doubt witnessed the energy and enthusiasm that is in our lobby when you bring your child(ren) to their session. Thank you for being part of that! Building community by getting to know your neighbours is key to a healthy and safe neighbourhood. Next time you are sitting in the lobby, I encourage you to introduce yourself to someone - strike up a conversation and get to know your fellow Huronite.

Thank you for joining us this session...we hope you and your family enjoy your experience!
